

**Hello GTL family and friends. We will be opening up the church for our Sunday morning services beginning on May 31st at 10:30 with some restrictions. We will continue to follow social distancing and other precautions.**

**We will continue to stream our Sunday morning services to allow you to remain connected while at home.**

**The guidelines are as follows:**

- We encourage those who are sick or at risk to stay home. This includes:
  - The elderly
  - People with underlying medical conditions
  - Family members who live with elderly people or those who are at risk
  - People who have access to those at risk in nursing institutions
  - People who have upper respiratory or flu-like symptoms
  - People who live with someone with upper respiratory or flu-like symptoms
  - People with COVID-19 or live with someone with COVID-19
  - People who have been exposed to someone with COVID-19
  
- Seating in the church will be arranged in such a way as to maintain appropriate social distancing between parties. A “party” should be understood to include members of the household who live together and therefore may be seated together in the church, but should maintain six feet of social distance from other parties.
  
- Children present at services should remain with their parents or guardians and refrain from congregating or interacting with children of other parties on the premises. **There will be no nursery service or children’s ministry at this time.**

**If you feel the need to wear a mask, please feel free to do so.**

**Thank you for your understanding and cooperation during this pandemic.**
